

Natural Resource Contest

2024 State 4-H Roundup

Contest Superintendent

Dr. Kevin Allen (kevin.allen@okstate.edu) 405-744-5447

Feel free to contact me with any questions or concerns related to the contest or resource materials. Please use **2023 4-H RU NR Contest** in the subject line of your email.

Information

The 2024 4-H Roundup Natural Resource Contest will focus on wildlife using the resources indicated below. Contestants will have the opportunity to explore this project area while preparing for the 4-H Natural Resource Contest.

Contest Format

Contestants will compete as individuals. Members will answer questions which include a combination of following: Identification, True/False, Matching, Fill in the Blank, and Multiple Choice. Physical examples, pictures, diagrams, or any other material(s) used for this contest may not be those specifically pictured within the contest resources.

Contest Resources

Contest questions will be drawn from the following resources.

- [4-H Wildlife Science](#): Level 1-3 are available for purchase from Purdue Extension. All information is potential contest material and should be studied.
- *4-H Wildlife Habitat Education Program (WHEP) Manual* (5th Edition)— Only sections on ‘*Wildlife Management Concepts and Terms*’ (page 17-27) and information related to the *Woodland Ecoregion* (see page 67) and associated wildlife species are potential contest material and should be studied.

NOTE: An electronic study guide has been made available to your county educator. Please visit with them for access to these materials.
