Bird Feeding Station Report

Oklahoma Cooperative Extension Service – Division of Agricultural
 Sciences and Natural Resources

Attach a photograph of the Bird Feeding Station in use:

Describe the kind of feeder you provided for the birds.

Where was the feeder located (location, habitat, height, etc)?

Date when food was first placed in the feeding station?

What kinds of food were placed in the feeding station? What changes if any were made in the food supply during the feeding season?

Number of days your observation records were kept? _____

List the number of each kind of bird that you observed at the station, Take this information from the daily observation chart on the next page.

Species of Bird	Number Seen
