00:44:23 community serve

00:44:26 *Service

00:44:40 absolutely! service, transportation, helping with projects

00:52:22 solidarity- club leaders/ educators allowing members to lead workshops teaching a skill or craft

00:52:28 We work together to help the community. We allow them to decide what and where we will pay if forward.

00:52:57 Our officers lead the meeting, with guidance when needed.

00:53:25 They make the decision

00:53:50 We learn by doing

00:55:33 It is their 4-H club. My kiddos have been told I am here to guide

00:55:57 I ask the question "what activities/projects do you want to plan for this year" or "how do we get your friends to join" and the answer is often "I don't know" or "there's nothing" but we have a very small group.

01:00:21 Parental involvement

01:00:29 Social Media, posting the things our 4-H club is doing.

01:08:31 Evaluations let you know if the youth were able to achieve their initial goal.

01:10:11 We need to reach out more to the families and get more feedback. Good or bad.

01:10:21 being open-minded and accepting of advice, ideas, from kids and parents "how to be better?"

01:12:02 Covid has taken a toll on our club, but we are getting more excited

01:12:47 I am currently the ONLY certified instructor in my county and my extension agent retired. So I have been reaching out as much as I can, as well as joining as many meetings and conferences as I can.

01:14:22 Also, my 1st year in 4-h.
